

We're all at different places in our walk with the Lord. God is to be praised that we aren't where we once were and we're looking to God to move forward to where He wants us to be. What's the next step for you? Is it a deeper commitment to live for Christ? Is it a desire to praise Him more when He works in your life? Is it a greater commitment to evangelism? Do you want to understand the Scriptures more? Do you want to love others like never before? What's the next step for you? Join us as we seek the LORD to find out. Join us as we make the commitment to never turn back. Join us as we advance.
